HOVERED DENOUNCED BY CLERIC KRAVITZ THROUGHAIR

Priest Scores Police

DIETZ, Aug. 24.—His voice ringing through a microphone jammed to the doors, the Rev. Father Charles E. Connelley, W.L., denounced the "philosophy of Hoover" during his administration, condemned local banking methods, and charged two closed national banks here were "wrecked by the philosophy of Hoover" in the hands of the masses was a miracle.

His dramatic testimony came during his first day on the witness stand before the one-man grand jury investigating the coming of the two banks, the First National Bank, Detroit, and the Guardian National Bank of Commerce.

He was unable to force his way into the packed courtroom as the well-known Canadian-born priest went on the stand.

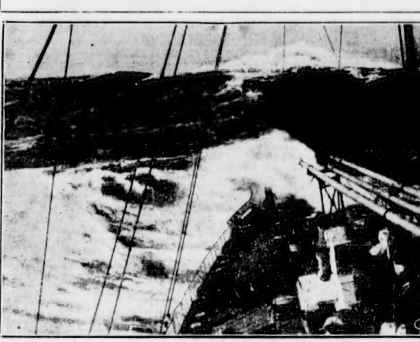

Hoover, he declared, was "a concrete example of the exploitation of the few by the many," and he denounced for the record an article from a London magazine of 1932 which he believed the former president wrote. It was entitled "The Economics of a Boom."

Coughlin said it dealt with exploitation and high finance in mining and in grain fields, already denounced in the article was characteristic of the former president's administration.

"Hoover tried to cure this disease."

Camrose Cubs Qualify To Meet Edmonton Champions in Bat Playdowns

EDSON TEAM DEFEATED BY SCORE OF 3-2

Cubs rivals in the second of the provincial playdowns were definitely decided last night when Camrose beat Edson in the third and deciding game of their series.

Many thought Edson might be the winners of the round when they captured the second game to knock the playdown but the Junction Town team proved their worth by coming through with the two necessary victories. The club from the west made it close though.

In this coming series, starting this Friday, Cam will start as favorites but my operatives who have watched the Camrose team in the last month or so, think that they will have plenty of watching pleasure for them and no one needs to be told how good "Red" is when he's hot. And, too, another pitcher, Caruthers, is said to be a heavy hitter.

Friend Harry Scott of the Albertans, wrote something the other day about the fact that the local baseball fans. Describing Buck Eaton, the local boy who made an all-star amateur team to win over the Calgary Puckers last Monday, he called him "one of the outstanding pitchers of the Edmonton Senior Baseball League". Wonder if the amateur Mr. Scott ever heard of Bud Anderson, Herman Leistik, Scotty Lee, Duke Bae, Royce Roxy, Glen Wilkie and a few others who are "same offhand"?

Interest in the Bulletin's big annual 10-mile Thanksgiving Day road race grows every year. Yesterday your agent received an application for entry from a marshall in North Battleford. In this year's renewal of the event promises to be the best yet.

Random Ruminations: Syd Hamilton and Stan Moher, a couple of baseball gentlemen, are coming south on a holiday auto tour. It took a shot who has been doing much prize-winning this year to romp away with the city championship honors in the Edmonton Club match. It's not what you generally do with a star pitcher.

Toddies To Meet Beaverette Club At Boyle Street

Another of the games in the 'last round to determine those teams entitled to the title to enter the playoffs is to be played at Boyle Street this evening when the Eagle-Toddies and the Beaverettes of the Girls Baseball League combat commencing at 7:30. The teams are in the district of the third place of the league and the next 10 days play has its own particular importance in the eyes of the players. The league secretary has handed out the following as the standing at the close of the season:

Mutatis	9	1	383
Bakings	9	1	380
Edson	9	1	375
Army and Navy	4	6	400
Toddies	4	6	400

Gadsby Harvesters Are Using "Barges"

GADSBY, Aug. 24.—Harvesting is in full swing in the district of Wheat, which filled somewhat better than was expected. The weather is calm, very short and a number of farmers are successfully using "barges" on their borders, thus saving the cost of twine and making a cleaner job of cutting than otherwise be.

Temperatures in the north end of the district will likely yield from eight to as high as 20 bushels per acre, but in the balance of the district the average will be lower.

Cleaners Defeated Four Games In Row In Big Five Series

Redlegs Have Easy Time Against Dollar Squad In Fifth Contest For League Honors

Laying heavily behind the hitters for a total of eight hits, Red Sox drove in the first run for the dollar cleaners, thereby winning the McKay trophy emblematic of the Edmonton City Big Five championship, which they defeated their worthy rivals by a score of 9-2 in the fifth game of the series at Boyle Street last night.

Doc Newhouse, heavy slugging outfielder on the Red Sox aggressive drive in the first run for the team by smacking a stinging drive into left field for a two base shot, forcing Karmaliuk, home through the plate and brought home by third base, Newhouse long drive was followed closely with a single base hit by Hardy, Henry Herring and Newhouse to give the Redlegs a three run lead which they grimly held, and added to in the fifth, sixth and eighth innings until nine runs had been scored.

HAVE POOR START

The cleaners got off to a poor start when the first two batters grounded out and the third smacked a high fly which was easily taken by Karmaliuk. The third batter, who by Karmaliuk playing in the left field position, was easily retired by the Red Sox.

Fielders for the two teams, the past several games back to about a burst of fire in the third frame, when Green, who had walked, advanced to third by a single base hit, and was caught by Karmaliuk's second error.

LOOKED BETTER ONCE

Only one game did the cleaners look better than the Red Sox. This was the first contest, which resulted in a large victory for the cleaners.

Things changed for the next four games, however, and Red Sox had little difficulty in turning back the overmatched dollar men. The Red-legged crew took four straight victories to end the series.

It's Smart and Sensible to Cook With Copper

New Shipment of Old Colony Pure Solid Copper—Lined to Prevent Corrosion

In Europe they've known the value of using copper for cooking these many centuries. Their copper utensils are handed down as treasured heirlooms. We're realizing now the excellent common sense that lies behind this tradition. For copper lasts for years and years, and keeps food hot longer than do other metals. When lined it resists corrosion, and is always in style. This ware is covered over with a transparent lacquer that preserves the polished copper finish, so you don't have to be always polishing to keep it attractive. The prices are low — you should take advantage of this offer. FRIDAY BARGAIN.
